

JASPER COURIER.

S. H. PARVIN, Advertising and Collecting Agent, No. 80 West Fourth St., is our agent in Cincinnati.

JACOB HERMANN, Esq., is our agent for this county.

To Contributors.

As our design is to make our paper one that will be of interest to all engaged in the different departments of active industry in every part of the county, we respectfully solicit the cooperation of our intelligent citizens throughout its limits. And being especially desirous of promoting the farming interests of Dubois, items in any department of agriculture are particularly solicited. Please send us all the news, incidents, general information, and mineral discoveries in your respective neighborhoods.

Job Printing.

We are prepared to give prompt attention to all kinds of Job or Book printing. Any description of blanks, receipts, bill heads, store, station or jack bills can be forthcoming on the shortest notice, in the most approved style, and on reasonable terms.

GRATIS NOTICES.—We publish notices of marriages, deaths, &c., gratis, and would like to record all which occur in the county. Ministers, or others, who officiate on such occasions, will confer a favor by sending us a notice immediately.

AN OFFER.

Any person sending us five new subscribers, and the money, will receive a copy of the Courier for one year, as a present.

Attention is directed to terms of advertising appointments of administrators, &c., on the first page of to-day's paper. It will be seen that we require advance payment. The necessity for this is, that we cannot afford to wait for our money the long time generally intervening before the settlement of an estate. We have on hand some notices of this character, that are not published because this rule has not been complied with.

NEW STORE.—Mr. Wm. J. Hays has just opened, in Haysville, a very good stock of dry goods and groceries, which he offers to sell as cheap as can be afforded. Mr. Hays is a gentleman of strict integrity and undoubted honesty, and as he has a very neat stock, deserves a liberal encouragement from the citizens of Haysville and vicinity. Give him a call.

The President has issued a proclamation warning citizens of the United States not to engage in the filibustering emigration expedition to Nicaragua, set on foot by Gen. Walker, and ordering United States officers to be vigilant in intercepting any such expedition.

Hogs.—The following is from the Cincinnati Gazette of the 4th inst.

Hogs are beginning to arrive from Kentucky. A lot of 500 head passed up from one of the ferries this morning, and as regards both size and fatness, we think we have not for several years seen any lot to equal them. The average gross weight of the lot was over 300 lbs. The lot sold at \$4.75 per cwt., gross, which is about \$6 net. We understand a lot sold to-day, for future delivery, at \$5.75 net, the average weight to be 190 lbs.

The St. Louis Republican of Wednesday says:

We hear of no movement having yet taken place by packers, though we hear they would take 200 lb. weight lots, reasonable delivery, at \$5 net. Contracts for delivery on the Illinois and below the Mississippi rapids, are reported to be making still at \$4.25 @ 4.75.

WASHINGTON, Nov. 1.

Mr. Butterfield, President of the California overland mail route, made an application to-day for the protection of the country traversed by their stages from Indian incursions. The Secretary of War gave him a most cordial reception, congratulated him on his success, and assured him that military protection shall be afforded him at as early a day as possible. The troops will probably be concentrated at Fort Smith in considerable numbers, and be moved in suitable detachments to the exposed points. This important movement of the government will, and is designed to, open all Texas and Arizona to settlement. The forces which are so successfully fighting the Camanches are to be promptly reinforced by a regiment from Fort Leavenworth, with the view to compel them to sue for peace.

Improved arms, similar to those which are so effective in Washington and Oregon, will be forwarded to Fort Smith. The President favors the protection of this mail and emigrant route from Indian attacks.

Mr. Butterfield left for home this afternoon greatly pleased with the comprehensive plans of the Secretary of War. He will soon start for Memphis, Little Rock, and Fort Smith to see whether the route cannot be greatly improved.

The Postmaster General is satisfied that the mail can be carried from California in 20 to 22 days, as soon as the War Department shall bring the Indians along the route under control.

The steamer Quaker City left New Orleans on Wednesday, for Minutian, to open the Tehautepre route. Many applications were made for passages through to San Francisco, but only a few were accommodated. The Pension office, during the month of October, issued 659 land warrants under the act of March, 1855, to satisfy which about 100,000 acres will be necessary.

Leane Holland, the door keeper of the United States Senate Chamber, died to-day.

Despatches from Chicago to the Washington Star, clearly indicate that there is a large majority of Douglas men elected to the Legislature, and a large majority of the popular vote over both the Republican and Administration.

THAT GREAT REMEDY! SO LONG SOUGHT, FOUND AT LAST!

This remedy, claimed by the medical profession and the multiplied thousands that have used it and tested its wonderful curative properties, to be the greatest discovery in medical science, and nature's own remedy, is the result of years of toil and study, by one of Ohio's favorite physicians, in order to produce something that would meet the wishes of suffering humanity, and thousands from the princely palace and humble cottage can testify to the immediate relief found by its use. For want of space we only offer a few of the many evidences in its favor.

Moline, Ill. Feb 19, 1858
Messrs S K MANN & Co.—Gents: We find your Ague Balsam superior to any remedy in our market for the permanent cure of all malarious diseases. We cheerfully recommend it as worthy that great name it has wherever sold and used.

Very Truly Yours, RICHARDS & THOMAS.

To the sufferers of chills, fever and ague, I cheerfully submit the following: Having observed closely the effects of Dr Mann's Ague Balsam in this vicinity for the past three years, I am well pleased with its remedial virtues as an antidote to malaria. I have frequently used it in my practice and with entire satisfaction. From my intimate knowledge of this compound, I recommend it as safe, prompt and efficient.

THE GREAT WONDER

OF THE

Nineteenth Century.

Prof. Wood's HAIR RESTORATIVE!

The St. Louis, (Mo.) Democrat says: Below, we publish a letter to Dr Wood, of this city, from a gentleman in Maine, which speaks glowingly of the superior merits of his hair tonic. Such evidence must have its effect, when coming from a reliable source. It certifies that it is a guarantee of truth, the Dr. needs no encomiums, nor useless puffery from the press:

BATH, MAINE, Jan. 20, 1858.

Professor O. J. Wood & Co.:

GENTLEMEN: Having my attention called a few months since to the highly beneficial effects of your hair restorative, I was induced to make application of it upon my own hair, which had become quite gray, probably one-third white; my whiskers were of some character. Some three months since I procured a bottle of your hair restorative, and used it. I soon found it was proving what I had wished. I used it about twice a week. I have since procured another bottle, of which I have used some. I can now certify to the world that the gray or white hair has totally disappeared, both on my head and face, and my hair has resumed its natural color, and I believe more soft and glossy than it has been before for twenty-five years. I am now sixty years old; my good wife at the age of fifty-two, has used it with the same effect.

The above notice I deem due to you for your valuable discovery. I am assured that whoever will rightly use, per directions, will not have occasion to contradict my statements. I am a citizen of this city and a resident here for the last fifteen years, and am known to nearly every one here and adjoining towns. Any use you may make of the above, with my name attached, is at your service, as I wish to preserve the beauties of nature in others as well as myself. I am, truly, yours,

A C RAYMOND.

BALTIMORE, Jan. 23, 1858.

WOOD'S HAIR RESTORATIVE.

Professor Wood—Dear Sir: Having had the misfortune to lose the best portion of my hair, from the effects of the yellow fever, in New Orleans in 1854. I was induced to make a trial of your preparation, and found it to answer as the very thing needed. My hair is now thick and glossy, and no words can express my obligations to you in giving to the afflicted such a treasure.

FINLEY J. JONES.

The undersigned, Rev. J. K. Bragg, is a minister in regular standing, and pastor of the Orthodox church Brookfield, Mass. He is a gentleman of great influence and universally beloved.

WM. DYER.

Brookfield, January 12, 1858.

Professor Wood—Dear Sir: Having made trial of your Hair Restorative, it gives me pleasure to say, that its effect has been excellent in removing inflammation, dandruff and a constant tendency to itching with which I have been troubled from my childhood; and has also restored my hair, which was becoming gray, to its original color. I have used no other article with anything like the same pleasure or profit.

Yours truly, J. K. BRAGG.

The Restorative is put up in bottles of 3 sizes, viz: large, medium and small; the small holds 4 a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent more in proportion than the small, retails for two dollars a bottle; the large holds a quart, 40 per cent. more in proportion and retails for \$3 a bottle.
